VERSE 1

Oh I can see the cloud
The majesty of God
Your Presence all around
The fullness of Your pow'r
I'm trembling on the ground
In fear of who You are
Shekinah coming down
You're with me here and now

CHORUS

I can see the One of Heaven
The mystery of grace
Oh the wonder and the beauty
Of His ways
There is nothing left but Jesus
I'm caught up in His gaze
Oh but who am I to look upon His face
